### School Meals

Please make sure dinner money is up to date by the end of term. The Local Authority write out during the holidays for arrears so please ensure it is paid. This includes arrears that have occurred at any time during this academic year that are still outstanding.

If any children wish to change on or off school meals please remember that it is 1 weeks notice, to Mrs Cummings or Mrs Walker in the office. We will assume that children who currently have school meals will continue them in September unless otherwise notified by the end of this term.

Please note that if we are not informed of children changing to sandwiches then you will be charged for the meals we have pre-ordered if we have not received notification.
